If Bradley didn't say he invited Tony, then it's probably not necessary. He lives in a different neighborhood.

Here is email for Eric I found from the sign in sheet for 1/21 mtg:

Eric Brooks	OUR CITY SF	brook
-------------	-------------	-------

Anthony Khalil anthony.khalil@lejyouth.org

You can send it. I think everyone knows you. The invitees from Navy, etc. are in the original invite that I sent for this mtg, so you can copy it from that.

Also, that would be great for you to check the logistics.

Subject: Attendees and Logistic for April 12 Hunters Point Meeting/Conference Call

Importance: High

Dear Lily:

I cut and paste from various emails to get all this into one so you can use add some intro language and send it out a meeting reminder with handouts and links below. Here is the list of folks who I plan to give for EPA guest on April 12th. Please double check to make sure I have all the people Bradley mentioned. Should we also invite Tony Verros tony@verreos.com as well since he was interested in the subject matter peripherally? Two people I don't have direct emails for are: Anthony or Erick. Can you add them before you send your email out to all? Would you like me to check the room 10111 Grand Canyon to make sure the conference call features are working well? Below are the links for the Parcel B FYRs and above are the files you sent me earlier. I will have one copy of each for the meeting. Am I missing anything else?
